Uniting the local church  
facilitating activities that  
advance the Kingdom of  
Jesus Christ because we  
cannot do the work alone.

Soon my 13th year will glide into the 14th year as Executive Director for the "GSAE". And with this move the purpose of the mission effort has not changed. The leadership of the GSAE continues to believe in providing much needed support, encouragement, and assistance to local pastors and churches. The GSAE also provides opportunities for Christians and churches to grow in appreciation and understanding of one another as well as in praying, witnessing, and moving forward the cause and advancement of Jesus Christ. In a sense, it is correct to call the GSAE an organization however we are also an association of Spokane-area Christians and churches working to support the evangelical cause of Jesus Christ in our local community.

As Executive Director of GSAE, and I would like to ask you to prayerfully consider partnership with us as we continue to serve the body of Christ in the Spokane area. We are one body with many different expressions and styles. GSAE is the vital connecting point for the larger church to network and work together in our area.

Either through annual membership, or monthly support, would consider joining with us as we reach into the lives of our families, friends, and neighbors throughout Spokane. Thank you for allowing me this opportunity to direct the GSAE.

John Tusant  
Executive Director
